*Follow the Christ, the King,
Live pure, speak true, right wrong, follow the King—
Else, wherefore born?*

ALFRED, LORD TENNYSON

The 1952 GUSHER has adopted as its theme, King Arthur and his Round Table. We of the Gusher Staff present to you our Camelot, Byrd High School; those of the Round Table, our teachers; and the knights, our classmates, their bright hopes and accomplishments. We dedicate this book to our students who as the knights of old are young and ardent souls searching for the realization of an ideal. If we have been successful in a picture of that indomitable Byrd High spirit with this immortal story as a setting we shall feel that we have been rewarded for our efforts.

*But when he spake and cheer'd his Table Round
With large, divine, and comfortable words,
Beyond my tongue to tell thee — I beheld
From eye to eye thro' all their Order flash
A momentary likeness of the King:
And ere it left their faces, thro' the cross
And those around it and the Crucified,
Down from the casement over Arthur, smote
Flame-colour, vert and azure, in three rays,
One falling upon each of three fair queens
Who stood in silence near his throne, the friends
Of Arthur, gazing on him, tall, with bright
Sweet faces, who will help him at his need.*

Maintaining the fine tradition established by members of the instrumental department since its organization, groups this year have made appearances for radio broadcasts, assemblies, weekly military reviews, community activities, and Holiday in Dixie. Also they have performed spectacular half time shows during the football season, including a guest appearance at the Louisiana College Homecoming game, and prepared for the annual spring concert. Chamber music groups have continued to contribute an important phase of our musical activities. Each student is given an opportunity to participate in one or more ensembles, many of which have performed before various school and civic functions. This year high fidelity recording equipment was added to the department through the cooperation of the Band Parents' Club and Mr. Koffman.

The Band welcomes all students who wish to begin or continue their musical training. Classes are offered for beginners on both band and orchestral instruments, for intermediate students in both band and string sections, in addition to the Military, Marching and Concert bands. The goal of our department is not to train the student to become a professional musician, but to instill in him an appreciation of good music through the study and performance of the finest musical literature available.

The Byrd High School ROTC Corps under the direction of Captain James C. Metcalf has developed into a very outstanding feature. For the last few years the ROTC group has functioned in good form, but it has become the talk of the school and the town this year.

The ROTC has many activities during the school year. Perhaps the main event is the Military Ball held annually near the end of the school year. Byrd and Fair Park both take part in this occasion.

The most popular of the ROTC groups is the Military Band. The band grew during this year from twenty-five members to sixty-one members. These boys often entertain the students by playing at the basketball games.

Our ROTC is not all play as it seems. The course is carried on with class room work on Military Science and Tactics. This is made very interesting by the latest charts and movies.

The rifle team of the Byrd ROTC is known and respected all over the country. The team in the past has been ranked highly in the nation, and has been successful in its matches this year.

The Byrd High School ROTC has approximately four hundred members, counting the beautiful sponsors in each company. It is, in our opinion, one of the best ROTC groups in the Fourth Army District.

The Pelican Staters convened in the state capitol last August to practice the ideals of democracy with other delegates representing the entire state of Louisiana. The twenty-odd boy and girl citizens were selected last year by the Junior Class and the faculty. The delegates from Byrd were sponsored by the business men and women of greater Shreveport, the overall sponsors being the American Legionnaires of Louisiana. The Pelican State session lasted nine days, climaxed with the mock election of state officers. We of the Gusher Staff would like to congratulate the Pelican Staters for their fine work and the American Legion for its enlightening and practical program.

1951

The Byrd Yellow Jacket squad played a ten game schedule this season, playing nine AA schools and one A school. The Purple and Gold men scored a total of 181 points for the season while their opponents scored 132 points. The Line Avenue men played ten games and won five, lost four and tied one. They played .555 ball for the year and had an average of 18.1 points per game. There was a new member added to the Byrd coaching staff this year, Coach W. W. Turner, from Columbia High School. Head Coach Jack Rowen and his three assistants did a fine job in piloting the hefty crew this year, climaxing the season with a stunning 14 to 7 defeat over the Yellow Jackets' long-time rivals, the Fair Park Indians.

In the opening game of the Yellow Jackets' season, the Golden Tornado eleven of Sulphur, Louisiana, came back in a last-half burst to deadlock the Yellow Jackets 20-20 on a rain-soaked turf at Sulphur.

Byrd compiled a 20-0 lead in the first half to complete their scoring, with touchdowns chalked up by Jimmy Miner, Dale Sandifer, and Raymond McFadden. Harold Hawkins split the uprights for two extras on two tries for the night.

Jimmy Miner turned in a 74-yard run to cross the double stripes for a would-be tie breaker. The masterpiece was called back on an "extremely technical" penalty.

The John Reagan Bulldogs gave the Yellow Jackets their first defeat of the season at Fair Grounds Stadium. Fumbles were what spelled defeat for the Jackets; the Byrdmen bobbled the pigskin seven times.

Byrd's scoring came in the first and third quarters—the initial touchdown was a beautiful 68-yard jaunt by Jimmy Miner.

Looking at the yardstick, the Jackets outrushed the Texans, but the Bulldogs' passes were what made the difference. As for the line play it was rock 'em, sock 'em all the way with both teams sporting big aggressive linemen. The Yellow Jackets' center of the line stood out exceptionally well, with most of the running plays going off tackle and around end. The other tally for the Jackets came when Miner fumbled in the end zone and guard Jerry Loe recovered for a touchdown.

BYRD 27—HOMER 0

It was the purple and gold from start to finish at Pelican Stadium Friday night. The Byrdmen scored at will against the "Pels"; however, the Jacket backfield was still plagued by fumbles which halted several touchdown marches. The yardstick was completely dominated by the Yellow Jackets. The Byrdmen took 14 first downs to Homer's 8 and gained a net of 303 yards rushing to 50 for the Pels. Looking at the fumbles we find the Jackets bobbled the ball 6 times and the Homer crew recovered 5 of the Jackets' fumbles. In the scoring column Jim Miner scored two touchdowns, with Ellis and McFadden with one apiece and Harold Hawkins contributing 3 extra points.

It would be impossible to pick out an individual star for the game, for it was the whole Jacket "11" all the way. The only real threat produced by the Pelicans was in the closing minutes of the game when it was first and goal on the Jacket five yard line. The Pels tried four running plays which netted them a gain of one yard. The final whistle sounded before the Rowen men could put the ball in play. The whole Byrd bench contributed to the game in the final quarter of play giving the regulars a well earned rest.

BYRD 6—BOSSIER 14

The Byrd Yellow Jackets were tumbled by the Bossier Bear Kats to the tune of 14 to 6. It was Dan Brown who scored the lone tally for the Byrd men. All three tallies were racked up in the first quarter of play and the remaining were scoreless. The Bossier crew scored both of their touchdowns on long runs while Byrd's lone tally came on a drive with Brown carrying the pigskin over from the spread formation. The game was nip and tuck from start to finish and could have gone either way at any time in the game. DeSadier proved troublesome to the Jackets at times but the big forward wall of the Jackets never gave up and should be commended for their play in the game.

BYRD 0—ISTROUMA 27

The Istrouma Indians from the Capitol City took a 27 to 0 victory over the Yellow Jackets at Fair Grounds Stadium. The Indians scored on the opening kick-off, which knocked the props from under the Jackets.

The tall rangy boys from Baton Rouge had too much power as far as the Jackets were concerned. It was a rough bruising game, especially in the second half of play. The big Jacket line by no means were pushed around. The center of the purple and gold line netted the Indians hardly anything in yards gained rushing. Istrouma's passing attack was exceptionally sharp for the night, which set up a number of touchdowns for the "Rouge" boys.

HOMECOMING

BYRD 13—BOLTON 0

The annual Homecoming game was copped by the Byrd Jackets to the tune of 13 to 0. The crowning of the homecoming queen, Miss Martha McGuffin, took place before the grid tilt. The Jackets' football sweethearts for 1951 were Shirley Carroll and Flo Williams.

The game was a rough and tumble affair all the way, with many penalties charged against each team. The Jackets' first marker was scored by Dan Brown in the first half. The other tally came in the third quarter when guard John Sheffield scooped up a Byrd fumble on the Bolton 25 and sprinted over for six points. The game as a whole was slow due to the penalties; however, the Jackets dominated the entire game without a doubt.

BYRD 39—HAYNESVILLE 6

The Byrd Yellow Jackets trounced the Haynesville Golden Tornadoes to the tune of 39 to 6. It was superb blocking and snake-hipped backs that gave the Jackets their six touchdowns. Dan Brown, the Byrd offensive spark for the night, was off on a 91-yard sprint for a touchdown when the ball game was just 6 minutes old. Bobby Ellis was next in the touchdown parade with a 52 yard jaunt to pay dirt. Ray McFadden crossed the double line stripe in the second quarter. In the closing minutes of play of the first half it was Dan Brown again, this time for a touchdown. Early in the third period Jim Miner set sail on an 80-yard dash to pay dirt. Ellis contributed the last tally with a 22-yard jaunt from the line of scrimmage.

It was the fine line play of the Jackets that kept the Tornadoes from posting a first down in the first half. John Sheffield and Jerry Loe were outstanding on defense and also opened an exceptional number of holes in the line on offense. Other defensive sparks were Harold Hawkins, Shelly Beychok and Dale Sandifer.

BYRD 25—OUACHITA 26

The Ouachita Lions upset the Byrd Yellow Jackets in a nip-and-tuck affair in freezing weather at Byrd stadium. The Monroe men got the first break in the initial minutes of the game. The Lions kicked off to the Byrd 22 and the Byrd backs failed to cover the free ball. The Lions capitalized quickly upon this error and covered the ball for a first and ten on the Byrd 22-yard marker. Two plays later Mobley to Franklin spelled touchdown for the Monroe men. The Line Avenue eleven had their main strength in McFadden, Miner and Ellis. It was "Jitterbug McFadden" that lugged the ball for 76 yards to pay dirt for the longest run of the night. Miner chalked up 12 points and Ellis contributed 6. The Rowan men didn't realize they were defeated even after the final whistle. A called-back touchdown and a loose ball no doubt hurt the Jackets but the fact that Ouachita had one more point than the purple and gold after the final whistle hurt the worst.

The Yellow Jackets turned in one of their best performances of the season when they defeated the Bulldogs from Sulphur, Oklahoma, in a rain-soaked tilt. The massive Jacket line proved to be too much for the Sooners. The game was highlighted by long runs made by the speedsters of Coach Rowan. Bobby Ellis was the big gun on the offense as he scored two touchdowns on runs of 89 yards and 30 yards. Raymond McFadden also scored on a long sprint of 83 yards. Curtis Mewbourne hit pay dirt from the one-yard line on a quarterback sneak.

An interesting fact that caused some friendly rivalry was that the Bulldogs' coach is the younger brother of the Jacket line coach, J. D. Cox.

BYRD 14—FAIR PARK 7

It was Jim Miner, better known as the Sun Tan Kid, who turned in two magnificent runs against the Yellow Jackets' annual rivals, the Fair Park Indians, that meant the difference between victory and defeat. The two runs made by Mr. Touchdown were labeled pay dirt from the very beginning. Sun Tan scored on the same play twice both covering about 70 yards a piece which meant the difference between a good and bad season for the Jackets.

The purple and gold's line was superb in bottling up the Indians' backfield. The Jackets were scored on first early in the first quarter. The touchdown was set up by a penalty charged against the Jackets, putting the ball on the Line Avenue crew's one-yard line. The Jackets didn't give up and came back strong to give Byrd a definite edge in games won in the age old rivalry between the Yellow Jackets and the Indians. Hawkins, Sheffield, Loe and Beychok made up the unmovable unit in the line that meant victory.

"B" TEAM

The "B" Team, made up of sophomore and junior boys, won five games this year while tying two and losing four games. The squad showed great improvement toward the end of their season. In their last three games they scored a total of seventy-one points while their opponents scored none. These boys will be seeing a lot of action next year on the varsity squad. They should be commended for the fine record they turned in this season. We are expecting them to carry the glory of the Purple and Gold in the years to come.

There will be coaches and boys from the Ark-La-Tex to take part in the clinic. STUDENT CONVE

COUNCIL NTION

This year Byrd had the honor of being host to the seventeenth annual conference of the Southern Association of Student Councils on November 8, 9, and 10. Over seven hundred students attended, representing more than one hundred forty schools, located in fourteen southern states. The program was based on the theme, "Tomorrow's Leaders Look at the World Today." Officers for the 1950-51 session were: President, Henry Taylor, Tallasee High School, Tallasee, Alabama; Vice President, Tommy Baker, Austin High School, Austin, Texas; Secretary-Treasurer, Kit Colquitt of Byrd.

In addition to discussion groups on various phases of Student Council activity, the convention schedule included a tour of places of interest in Shreveport; the movie, *An American in Paris*; a Plantation Party at the Municipal Auditorium; and a barbecue at Fair Park High School.

*Turn, Fortune, turn thy wheel and lower the proud;
Turn thy wild wheel thro' sunshine, storm, and cloud;
Thy wheel and thee we neither love nor hate.*

*Turn, Fortune, turn thy wheel with smile or frown;
With that wild wheel we go not up or down;
Our board is little, but our hearts are great.*

*Smile, and we smile, the lords of many lands;
Frown and we smile, the lords of our own hands;
For man is man and master of his fate.*

*Turn, turn thy wheel above the staring crowd;
Thy wheel and thou are shadows in the cloud;
Thy wheel and thee we neither love nor hate.*

The Byrd Chapter of the National Honor Society was organized on April 19, 1935. In 1948 the name of the local chapter was changed to the GROVER C. KOFFMAN CHAPTER for our beloved principal because of his outstanding service throughout the years in behalf of the youth of Shreveport.

In recent years the organization has become an active group which plans and carries out definite projects as set up by the members. The annual project, "Recognition Day at Byrd," was initiated in 1946 and has been successfully carried out through the years. This is to honor those people of Byrd who have given time and effort for the betterment of the school. The entire faculty votes upon the list of candidates who are scholastically eligible, and they are honored in a special assembly.

Eligibility for admission to the Society is based upon the four cardinal principles of Character, Scholarship, Leadership, and Service. Miss Pearl Pryor is the faculty sponsor.

Members include, first row: Patricia Blankenship, Betty Brown, Martha Knox McGuffin, Helen Segers, Emily Tinsley, Faye Thweatt.

Each of the three first year Latin classes elected a program chairman to direct the programs for which it was responsible. Plays and skits demonstrating the value of Latin and the Roman way of life, stories of gods and goddesses, and many other interesting features of Roman times have been presented in the programs given. Although the club is small, its aims are high and the interest of the members contributes much to its success. Miss Irma Robinson acts as faculty sponsor for the club.

In 1939, due to increased enrollment, it was divided into two sections, the Lower Forum, sponsored by Miss Irma Robinson and the Upper Forum, sponsored by Miss Ecker. The club is run on the Roman plan of government, having two consuls who alternately serve as presiding officer, a scriba or secretary, a quaestor or treasurer and four aediles or program chairmen, elected by popular vote at the beginning of the school year. The purpose of the club is to meet and solve the current problems of school life, to make social contacts, to give opportunities of service and leadership and to study Latin literature and customs. AMISTAD, AMISTAD, AMISTAD

The principal aim or purpose of the Pan American Student Forum is to encourage Friendship with the young people of Spanish speaking countries. Members of the club have been especially fortunate this year in having the opportunity to become acquainted with several of the Colombian students who are attending Centenary College. Many times they have come to Byrd High School at 3:00 p.m. to visit with members of the club.

With the officers of the club shown above are Stellia Dominguez and Carola Echeverry of Medellin, Colombia. Rojo, blanco y azul are the colors of our flag. Amarillo, azul y rojo are the colors of the Colombian flag designed by Francisco Miranda and proudly borne by the armies of Simon Bolivar in their wars of independence.

Featured activities of the Pan American Student Forum for this year have been: learning Colombian songs and games, learning the steps of El Bambuco, a Colombian folk dance, and recording a few easy selections in Spanish by our Colombian friends.

*Tuwahoo! do ye see it? do ye see the star?
'Nay, fool,' said Tristram, 'not in open day.'
And Dagonet, 'Nay, nor will: I see it and hear
It makes a silent music up in heaven,
And I, and Arthur and the angels hear,
And then we skip.' 'Lo, fool,' he said, 'ye talk
Fool's treason: is the King thy brother fool?'
Then little Dagonet clapt his hands and shrill'd,
'Ay, ay, my brother fool, the king of fools!
Conceits himself as God that he can make
Figs out of thistles, silk from bristles, milk
From burning spurge, honey from hornet-combs,
And men from beasts — Long live the king of fools!"*

On February 14, 1952, at the annual Fun Fair sponsored by the PTA of Byrd High School, a Court of Freshman royalty reigned. We present this court to you.

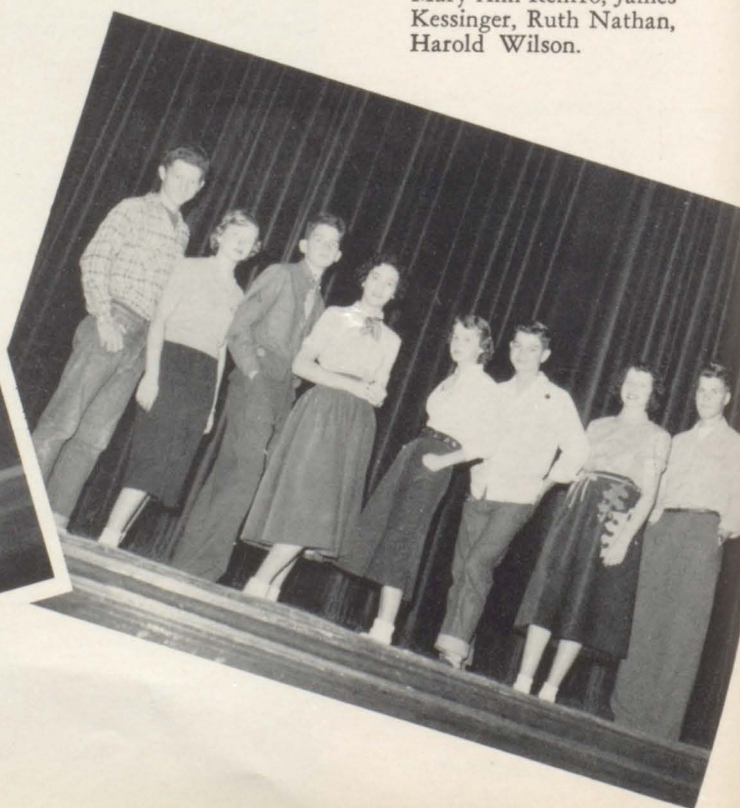

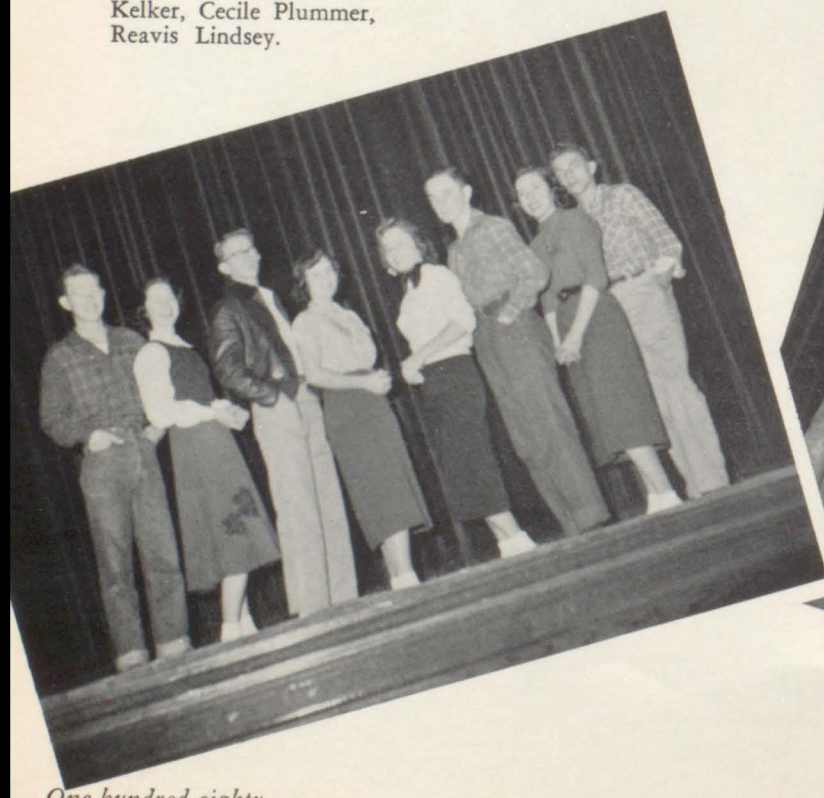

LILY HADWIN
Queen

RICHARD GAY
King

GEORGE WOLCOTT
Crown Bearer

Members of the Court are: Bill Bryant, Margaret Benoit, Spanky McCoy, Ann Hamilton, Amelia McCord, Francis Kelker, Cecile Plummer, Reavis Lindsey.

Members of the Court are: Jerry Fowler, Martha Dillon, Benton Vernon, Carol Lee Hunt, Mary Ann Renfro, James Kessinger, Ruth Nathan, Harold Wilson.

We sincerely hope you will get as much pleasure from this book as we have had putting it together. Our artists — Billie McClure, Ben Rogers, and Sara Nell Ashworth — have contributed all of the art work in the book; and Sara Nell is responsible for the cover design.

We express appreciation to the faculty for their cooperation, to Miss Betty Lawrence in particular for her advice to the art staff; to our photographer, Milburne Alfred; to the student body; to our advertisers; and to others who have helped make the book possible.

THE GUSHER STAFF

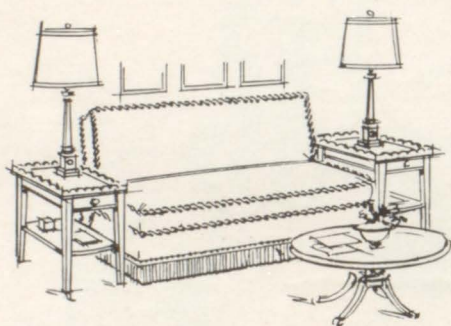

*Blow, trumpet, for the world is white with May;
Blow trumpet, the long night hath roll'd away!
Blow thro' the living world — "Let the King reign."
Late, late, so late! and dark the night and chill!
Late, late, so late! but we can enter still.
Too late, too late! ye cannot enter now.*

Telephone Girls

and some of the
things they do

Telephone girls enjoy interesting and important jobs in a growing industry.

Operators using modern equipment provide world-wide communication. — Service Representatives handle customer contacts in our business offices. — Stenographers, Typists and Clerical workers perform important and specialized jobs in all departments.

If good pay—friendly associates your own age—paid vacations—sickness benefits and frequently scheduled raises appeal to you—why not come in and talk with us about a position with the Telephone Company.

These words spoken more than 2,000 years ago, are as true now as ever. The hope of every nation still rests in the education of young people. As a bank we take a strong interest in youth and education—for the sound characteristics of tomorrow's finance, business and economy will be shaped by today's youth.

THE Byrd Yellow Jacket Diamond men, led by Seth Morehead and Bryan Bush, turned in another magnificent season performance under the capable direction of Coach J. D. Cox. The Jackets advanced to the semi-finals of the State meet before being stopped. The Jackets had some of the states best players, including 4-year letterman, Dan Brown, to comprise the team. Seth Morehead must be hailed as the most outstanding performer for the Jackets and throughout the Ark-La-Tex.

The Byrd golfers finished their magnificent season by taking the State Golf Meet. The State champs were led by their ace, Jimmy Mangum. Mangum, who hits one of the longest balls throughout the Ark-La-Tex, was beaten by one stroke for low score honors in the State Meet. The Jackets team score was exceptionally good in the State Meet and had little trouble coasting in for a superb team victory. The Jackets played eighteen matches and lost only one. They played in three tournaments, taking two first places and a third. The linksmen's sponsor this season was Captain James C. Metcalf, a former golfer at LSU. Stanton Shuler, Mangum's contemporary, was one of the main factors that allowed the Jackets to turn in a superb season and to annex the State Championship.

TENNIS

The Byrd Yellow Jacket tennis team went undefeated in meets this season. At the State Meet Carolyn Rogers copped the Girls Singles title for a very successful season. Tommy Jarriel and Marilyn Rogers, an unbeatable combination and two of the finest players in the Ark-La-Tex, annexed the mixed doubles title. Benton Preslar was leading his opponent in the boys singles and was forced to forfeit due to leg cramps. The team worked hard all year under the able direction of Coach John Laughlin.
